

## Current Exhibitions

**ANNA DUMITRIU: BioArt and Bacteria**  
**Special Exhibitions Gallery**  
**28 September 2017 - 18 March 2018**

Explore your relationship with the microbial world, antibiotics and technology through art.

This exhibition by internationally renowned artist Anna Dumitriu takes visitors on an artistic journey through infection, from the Romantic period to contemporary synthetic biology.

[ANNA DUMITRIU: BioArt and Bacteria](#) is a free exhibition. To support future exhibitions and our broad range of work, please consider making a donation either online or during your visit.

The Special Exhibitions Gallery is open during our normal opening times (Tuesday - Sunday, 12-5pm). Last admission is at 4.45pm.
